Instructors

Jan Miko has been involved with Pathway work since 2007 and is as appreciative and enthusiastic of it today as she was 18 years ago. She retired as an Elementary Principal in 2010 and has since enjoyed a new ebb and flow of life which involves Healing Pathway, Centering Prayer and a great deal of volunteerism. Jan shares her gift of compassion with an open heart and invites the realms of possibility. She welcomes the mystery of Spirit and continues to be in wonder when experiencing the grace, mercy and healing energy of the Holy.

Judith Ann Donaldson has been a passionate practitioner of the Healing Pathway program since 1994 and feels deeply blessed to share this work as an instructor. Over the years she has been fortunate to teach in India, Nepal and Guatemala. As an active member of the Pacific Spirit United Church Healing Ministry, Judith Ann has continued to develop her practice in distance healing. She is a retired obstetrical nurse and a spiritual director. Her particular interest is the spiritual awakening of both those who offer this Christ-centered work as well as the blessings for those who receive.
